Subject: 2pm #s - 2-14-12 Dimock Executive Summary Report

Jerry -

The attached summary includes the two residences sampled this morning.

Two additional residences are scheduled for this afternoon.

One residence (HW-7) is scheduled for tomorrow (2/15/12) morning.

Sampling operations will be suspended while the analytical data is being received, reviewed and collated.

Three residences are currently scheduled to be sampled in March (3/5/12 and 3/6/12).
